

## **Yamanashi Location Map**

Yamanashi Prefecture borders Tokyo, Kanagawa, Shizuoka, Nagano and Saitama. The main city of Kofu is about 90 minutes from Tokyo (JR Shinjuku Station) on a regular express train. It takes about 2.5 hours to drive to Kofu from Haneda Airport. You can also access Yamanashi from the Shinkansen line (bullet train) that runs through Shizuoka. Take the JR Tokaido Shinkansen Line to JR Shizuoka Station, change to the Limited Express Fujikawa bound for the JR Minobu Line. There are also highway buses from various cities. You can easily catch a bus from JR Shinjuku Station for around 2,000 yen. For real diehards, you can walk from Nihon Bashi to the foot of Mount Fuji, just as people did in the Edo Era.
